

# Jizera Mountains

## ADVENTURE GUIDES

Welcome to the Jizera Mountains, home of some of the most beautiful scenery that Europe has to Offer. We are located in the north of Czech republic in Horni Maxov, situated on a hill approximately 750 meters high in an area of protected parklands.

We are able to offer accomadations for couples, families and small groups and a wide array of outdoor activities for both summer and winter. We are able to customize the activities based upon interests and skill levels.

Spring, summer and fall activities include: Canoeing, Horseback riding, Hiking and/or overnight camping, and professionally guided Rock Climbing. There are also local places to rent bikes for cycling during free time if you choose.

**Whether you are a nature lover, dog enthusiast, photographer, star gazer, or amateur adventurer, we welcome you to this most splendid of places for an adventure to remember.**
